

Book expert training you can trust

Taught by experts in their fields, Ivison Trust training courses are informed by frontline support work - safeguarding children and empowering parents affected by child exploitation.

1 Day Training Courses

Contextual Safeguarding

£75 per person

Gain an in-depth understanding of how to apply the contextual approach using evidence-based tools to support young people who are at risk of harm outside the family home.

Neurodiversity, SEND and Child Exploitation

£90 per person

Explore the barriers and challenges that exploited neurodivergent children and their families face, and learn how to adapt and improve your practice.

Train the Trainer

£90 per person

Learn the skills and knowledge to raise awareness about child exploitation in your community and develop your confidence to present to parents and professionals.

Introduction to Harms Outside the Home

£75 per person

Gain an understanding about how children are groomed and exploited, best practice safeguarding models, and how to support families living with child sexual and criminal exploitation.

Supporting Parent and Carers affected by Child Exploitation

£75 per person

Develop your knowledge about parents' experiences, the impact child exploitation has on the whole family and how to deliver trauma-informed, relational support.

Harmful Sexual Behaviours

£90 per person

Learn the factors behind why a young person might display harmful sexual behaviours, and develop a toolkit for responding using best practice safeguarding models.

2 Day Training Course

Advanced Child Exploitation

£150 per person

Develop your understanding about child sexual and criminal exploitation, contextual safeguarding, victim blaming, how to adopt a trauma-informed approach and the business model behind county lines.

Level 4 Qualification

Advanced Child Sexual Exploitation for Practitioners (ACSEP)

£685 per person

Take your career to the next stage with this Level 4 qualification where you will learn cutting-edge methods in supporting families affected by child sexual exploitation. Hear from guest speakers with lived experience and expertise in the fields of social work, academia and the police.

Bespoke Training and Webinars

We can deliver training courses tailored to the needs of your organisation covering a range of topics.

We also deliver evening webinars for parents, carers and children to raise awareness about child exploitation and to foster a community approach to safeguarding. Please get in touch to discuss your requirements.

“This is the best training I have done in my career. The trainers were so engaging and knowledgeable. I learnt so much, I am telling all of my colleagues to come on this training.”
